THE NOVA COMMITMENT TO QUALITY AND SUSTAINABILITY

Background

Nova Papers was established in 1994 as a small-scale toilet paper converting operation. Over the years, Nova Papers has evolved with the market to become a world class paper converting operation and has extended its offering to satisfy the needs of all consumers in the paper industry, both in and away from home. The Nova Papers team believes in work ethic to ensure that high levels of integrity and accountability are maintained in all that we do.

In addition to in-home, Nova also specialises in away-from-home products, including; industrial rolls, hand towel rolls, toilet paper, medical sheet rolls, and many more.

We are committed to expanding our range of products through constant innovation and focus on improving our quality, reliability and safety standards to offer our customers products that are hygienic and sustainable.

Nova Papers is located in New Centre, Johannesburg. We offer quality products through our “Nova®” and “Supra Deluxe” name brands.

Mission Statement

To provide the public and business sectors with the best possible quality paper products for home and out of home use. We aim to achieve this through constant development, acquisition of new machinery and processes, the expansion of our product range and adherence to our core values.

INNOVATION

EFFICIENCY

ACCOUNTABILITY

Environmentally Friendly

The Nova® ranges of virgin paper, industrial grade, as well as single and double ply toilet tissue are produced from the most environmentally responsible and sustainable sources.
